The question is have they officially dropped out of Agristats 'or' are you not publishing K/C study with them due to their delay in reporting their monthly info (we were informed this was reason).

Please clarify.

Thank you...

Hi Deb-

We are continuing to work towards resolution with Seaboard / Triumph but as of the Feb report have still not been successful. Believe me I want to have them back just as quickly as everyone. Just so you are aware, neither has been receiving the monthly kill/cut report. Let me know if you have additional questions.

Thanks!

Subject: Hi....

Just rec'd FEB kill/cut book.....my group has concern regarding the continued omission of Triumph and Seaboard from the study.....for the last 4-5 months.

Please advise of status.....if only related to delayed reporting, I would have thought a solution would have already been implemented.

Thank you...and will talk to you tomorrow...
